

Megan Anderson

When I am not working, I am happiest spending time with my son, De'Kari. His name means "bringer of happiness and joy, and boy does he deliver on that promise!

- Meg joined the staff as the Office Administrator in May of 2022.
- Three words that describe me are organized, dedicated, and feisty (or so I have been told, about that last one, anyway).
- The best piece of wisdom I have been given is this, 'No matter how deep your issue is, no matter how much you have struggled with it, the possibility exists for you to become absolutely free, whole and healed.'
